CIVIL & INDUSTRIAL WORKS

Buildcon Sethia Trade Centre

Buildcon Raksha

Buildcon Ekdanta

THE GROUP

Built on experience.

Family-owned origins. A quality-first approach to construction.

1998

THE ORIGINS OF BUILDCON CONSTRUCTION

Buildcon began as a family-owned proprietorship in 1998. The group's company record spans residential and commercial construction, civil engineering works and industrial assignments across multiple locations in India.

The Buildcon identity brings together its construction experience and a portfolio of developments in Kandivali East, Mumbai. This profile presents the group's background, selected project experience and the latest visual identity of its three featured buildings.

Group experience includes assignments through different entities and project relationships. Individual project entities are identified on their respective pages.

QUALITY FIRST

Executing quality work and services.

CAPABILITIES

Experience across sectors.

A construction background extending beyond a single building type.

01

Residential

Apartment buildings, residential quarters and urban redevelopment.

02

Commercial

Retail premises, workplaces and mixed-use commercial frontages.

03

Industrial & logistics

Factory buildings, storage sheds, godowns and supporting infrastructure.

04

Civil infrastructure

Internal roads, drainage, roofing works and substation-related civil works.

05

Public buildings

School buildings, community facilities and residential accommodation.

06

Urban redevelopment

Building renewal and coordinated residential and commercial development.

FEATURED DEVELOPMENTS

Three distinct expressions.

A shared Buildcon identity across residential and commercial spaces.

Buildcon Sethia Trade Centre

A commercial address on Akurli Road, Kandivali East: retail, restaurant space and offices.

Buildcon Raksha

Residential living above a retail and commercial base in Ashok Nagar, Kandivali East.

Buildcon Ekdanta

Residential layouts and an elevated retail frontage in Ashok Nagar, Kandivali East.

COMMERCIAL DEVELOPMENT

Buildcon Sethia Trade Centre

Codename Signature One | The signature of your success.

Architectural visualisations and proposed finishes are indicative.

A business-focused address

Ground-floor retail, a first-floor restaurant and upper-level workplaces on Akurli Road, Kandivali East.

Arrival & workspaces

A west-side arrival, a reception lounge, office configurations and terrace concepts.

PROJECT BY

Buildcon Sethia Construction

RESIDENTIAL & COMMERCIAL

Buildcon Raksha

A place to arrive. A place to belong.

A layered urban address

Six ground-floor retail shops, commercial levels and residential accommodation share a coordinated facade.

A distinct upper profile

The penthouse on floors 16 and 17 is expressed through generous glazing. The full-height automated parking tower forms a separate vertical element.

PROJECT BY

Anaaya Buildcon Infrastructure LLP

Architectural visualisations and proposed finishes are indicative.

RESIDENTIAL & RETAIL

Buildcon Ekdanta

An elevated welcome in Ashok Nagar, Kandivali East.

Architectural visualisations and proposed finishes are indicative.

Everyday living

2 BHK and 4 BHK layouts are presented in the project brochure, together with shared recreation and arrival spaces.

A refined street presence

Porcelain white, champagne gold and silver grey, with ten shops and a ground-floor level 3 ft above the road.

PROJECT BY

Anaaya Buildcon Constructions LLP

ARRIVAL & INTERIORS

The experience of a place.

Spaces that connect the building to the people who use it.

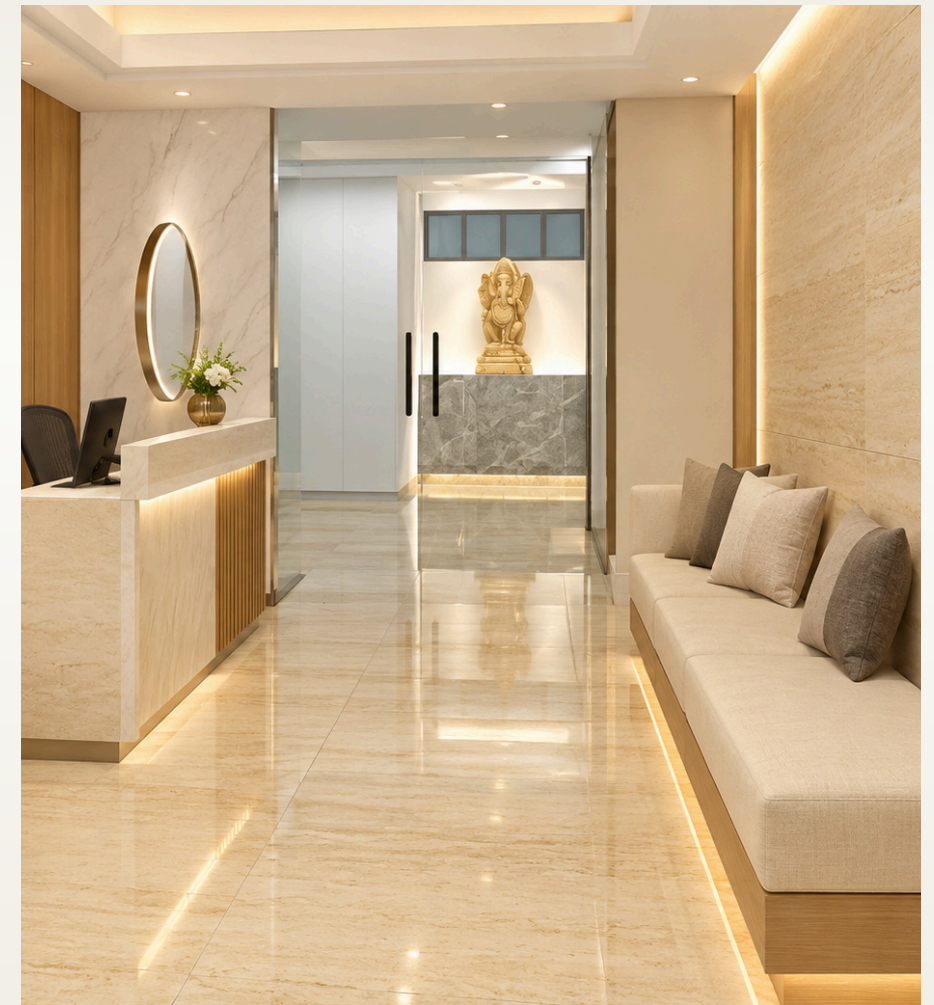

Buildcon Sethia Trade Centre

A reception and waiting area concept for a commercial address.

Buildcon Raksha

A residential lobby with a coordinated project identity.

Buildcon Ekdanta

A quieter interior palette with seating and a central arrival route.

Interior concepts shown are illustrative.

ENGINEERING EXPERIENCE

Power & utility infrastructure.

Selected works recorded for Power Grid Corporation of India.

Illustrative reconstruction based on the original profile image; not a site photograph.

Storage & associated works

Store sheds at Shikrapur and Solapur; an additional closed store shed with approach road and drainage at Parli; and truss-less GIS spares stores at Padghe and Kolhapur.

Community works

A community centre at Kanchurmesai, development works at Kasari and two schools near the Shikrapur substation.

Additional assignments

Miscellaneous civil works at the 400/220 kV GIS substation in Navi Mumbai.

INDUSTRIAL & LOGISTICS

Infrastructure for operations.

Factory buildings, storage facilities, roads and roofing works.

Illustrative reconstruction based on the original profile image; not a site photograph.

Warehousing & food storage

CWC internal road and drainage upgrades at Kolhapur I and II. FCI roofing works at Naila, Durg and Kharsia; concrete roads and drains at Peddapalli and Khammam.

Industrial assignments

Hitesh Plastics factory extension and Khandesh Steel factory building at Jalgaon MIDC; civil works for Tirumala Roto Lam in Hyderabad.

Storage capacity

Four godowns of 5,000 MT each and road works at Hamirpur for Shripati Infrastructures.

PUBLIC & TRANSPORT WORKS

Buildings that serve communities.

Selected infrastructure and public-building assignments.

Illustrative reconstruction based on the original profile image; not a site photograph.

Schools & residential quarters

Assignments through K. N. Rai include government schools and residential quarters in Silvassa and Dadra & Nagar Haveli, including G+7, G+3 and G+2 configurations.

Rail corridor enabling works

Road diversion works in Palghar district for the Mumbai-Ahmedabad High-Speed Rail Corridor, recorded for NHSRCL.

Transport infrastructure

Bus-station construction and associated works at Mahad, Raigad division, recorded for R. Z. Malpani.
